Gold Price Suppression: Why, How, and for How Long?

October 13th: Visitors Centre, Holy Trinity Parnell, Auckland

Louis Boulanger, Founder & Director of Louis Boulanger Now Limited ([LB Now](#)), has invited Chris Powell to visit New Zealand and, thanks to the sponsorship of [Anglo Far East](#), is pleased to host another educational event in Auckland.

Chris Powell is the Secretary/Treasurer of the Gold Anti-Trust Action Committee (GATA) Inc., an organisation based in the US and established in early 1999 to expose, oppose, and litigate against collusion to control the price and supply of gold and related financial instruments.

GATA has collected and published dozens of documents showing Western treasury and central bank efforts to intervene both openly and surreptitiously against a free market in gold. GATA has held four international conferences: in Durban, South Africa, in 2001; in Dawson City, Yukon Territory, Canada, in 2006; in Washington, D.C., in 2008, and in London in 2011. A full [record](#) of the facts they accumulated to date can be found on their website.
